Re: City Political Action Committee
Number C00187526

Dear Mr. Walker:

This letter is in response to your letter dated July 25, 2001, a copy of which is attached for your reference. I apologize for the delay in responding to the letter as the response required a discussion with our president, who returned from three weeks overseas on August 5.

The list attached to our earlier letter was meant to make it easier to respond to your requests for information. Unfortunately, it did not do that. Upon discussion with our president, it turns out that the listing did not represent actual payments made as I had earlier believed it did. Rather, it represents the contributions made and/or approved during the election cycle, and it was prepared to present to our Board and larger contributors in order to show that the organization is truly a bi-partisan organization as our "contributions" were evenly divided. After researching our reports and comparing them to our cash disbursement records and cancelled checks, the filed forms report the correct balances. I apologize for any inconvenience this listing may have caused.

If you have any further questions, feel free to contact me directly at 312-899-4460.

Sincerely,

Matthew G. Mitzen
Treasurer, City Political Action Committee

Dear Mr. Mitzen:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report discloses contributions "as of December 11, 2000" to Judy Biggert, Danny Davis, Peter Visclosky, and Lane Evans; however, these contributions do not appear on any of your committee's reports in the 2000 election cycle. Please amend the appropriate report(s) to fully disclose this activity.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
